

LENS '82

Dear Bob,
Ever since I met
you, you were always
a fun-loving guy; I will
never forget the Halloween
party. I had the best time ever.
But the most thing I'll remember
but never forget is Girl's Choice
I had a wonderful time, I hope you
did to. I hope you learned to dance to!
Well, I have to say Bye, but I wish I didn't
have to. I wish you the best of luck in the future.
See you soon,
Love,
Laura. O

Dear Bob,
I hope you have good
luck in whatever you do and
I hope to see you this summer.
Good luck,
Valerie.
P.S. I hope we become closer friends in
the future.

Dear Bob,
I almost missed you
But I missed you, you know?
Well basketball games were lots of
fun and we'll miss you even more
next year. Esp since you're going
to Champaign. Oh well. We'll visit
you. Cara, me, Jill and others.
We'll call you and then we'll pop
up at your dorm. Surprise!
Shewell gotta go.
Love & hugs

Bob
I don't know
what to write so,
all I'll say is weights
is was fun with you
and with out you it
would have been no fun
at all no have fun and
be happy your whole life
Mike Bender

Bob -
you are a good
friend to have. Human
was fun, but now it's over.
Thanks for all the good
times Good luck at college!
Take care!

Love,
Chris
Olsen

Dear Bob,

Well, we're finally done it,
4 years gone to pot & four more
to come (no only kidding) we've had
a lot of good times, and hopefully
many many more at Champaign with
both old & new friends. But I still
want to wish you the Best of
Luck & always remember you
can do whatever you want &
hopefully with your friends at
your side. It's not goodbye - only

See ya soon.

Yours truly,
Annie Kotocharyan

Every day brings new changes, whether good or bad
Each individual deals with them differently.

Unity Brings

About Changes

The end of a school year is a time to reflect on the changes we've encountered and experiences we've gathered along the way. This year especially will remain in our memories not only as one of great change, but also of unification. 1981-82 was a milestone in the history of District 207; it was the 80th anniversary of the first graduating class, but more importantly, after eleven years, this one marked another first; Maine North permanently shut its doors.

August 27, 1981 was the first time we experienced this transition. While everyone shared in the adjustment to new teachers, unfamiliar faces, crowded hallways, a nine period day, the Maine East newcomer had it much harder. Before he was one

out of 1300 and now had to cope with the fact that he was a mere one out of almost 3500. The new student was a freshman all over again as he tried to find his way around the crowded halls, looking on a map and figuring when would be the best time to go to his locker. There was the concern that a Norseman might develop an identity crisis as he found himself changing from the "life of the party" to "one of the crowd," as the year progressed, most people adjusted very well and found their special place at Maine East.

Along with Maine East's own blue and white colors, spots of black and yellow were popping up everywhere on school jackets and T-shirts. This was a symbol of loyalty Maine North students showed to a school now just a memory and a way a former student showed the pride and enthusiasm he still held within him for his alma mater. One senior expressed a common feeling of all those forced to spend their last year here when she said, "I may support the Demons, but I will always be a Norseman."

Hat Day proved very spirited.

Nominees enjoy spotlight.

To the new upperclassmen:
 Battling through the halls, I began wondering when I would finally find my classroom. The halls seemed endless. I finally reached my destination when the bell rang. My teacher looked with disgust at me for I wasn't in my seat when the bell sounded. Classes seemed the same this year as they were in the past. Some, of course, I liked more than others. The people seemed to make the classes a little more interesting. I noticed a few unfamiliar faces, but then I anticipated the changes.

To the returning senior:
Senior year is here and I feel like most graduating seniors; let's make it the best year ever. I remember walking in to Maine my freshman year not knowing where to find my homeroom. Now I manage to walk there easily. A saying all seniors can remember being said their freshman year is: Whether you realize it or not, these four ahead of you are the best four years you'll ever have. This still holds true today. They are the most memorable ones and here is where your friendships begin and continue to grow. Maine East is what you make it; join a club, a sport, or join work program. You have to want to be involved and make an effort in order to be involved. "It's all up to you."

To the freshman:
Along with many new students at East, the freshmen also have had to learn their way around the school. The first few weeks of school most freshmen walked around pretending they knew where everything was and ashamed to ask and now they are no longer ashamed to be what they really are . . . freshmen.

Friends Are Important

It is the additional 800 students added to Maine East which separates this year from many. We have achieved an important goal: to unify Maine East and Maine North.

Along with the new students, we gained sixty-nine new teachers. They were not only from the Maine North staff, but also from Maine West and Maine South. Another important addition to our school, as well as our district, was our new superintendent. The new head of our administration was Principal, Mr. A.K.H. Cochrane, former principal of Maine North; and Assistant Principal, Mr. John Graef, from Maine West.

1981-82 was a new beginning. More students were joining clubs and sports, helping to make Maine dynamic. There were the football games we attended to watch our team strive to win. The times we had to meet and socialize with our friends were many. Most of us found time for extracurricular activities as the Foreign Language Club's picnic where we battled in a tug-o-war or the Circus Club's many performances which required hours of hard work.

The Rubik's Cube seemed to play a major role in testing people's patience. Another fad this year, the cube enabled many to devise methods of problem solving.

Despite all of these influences, we have come out as individuals. We now have something better than we had before which concludes that we may not be that different after all. We all share in the same goals and different decisions.

Stars and Heroes Affect Our Lives

Rain dampens but not drowns spirit

The 1981 Homecoming finale, "It's a Small World," was a definite success as far as students were concerned. Three hundred fifty couples danced the night away to the music of Network in Maine's

very own ballroom. Friday's game against the Waukegan East Bulldogs ended in a 12-22 disappointing loss for the Demons. Although the parade and other half-time activities were rained out, Dawn Co-

leman and Mike Overbeck were crowned Queen and King. Homecoming '81 was an event many would remember for its victories as well as its defeats.

"Anne Frank" Touches Our Hearts

For the second time in ten years "The Diary of Anne Frank," a poignant story of a brave, young girl's struggle to stay alive and remain optimistic about life during the Nazi occupation of Holland, was performed.

The props, realistic set designs, lighting and costumes gave an aura of emotional depression. This intriguing and energetic play had a variety of characters displaying cooperation, talent and strong and definite acting. The strong cast's performances were very polished. Mr. Kleinfeld, the director, stated he was very pleased with the cast. "They are hard workers, and this show gave them a good learning experience."

Above: Anne (Jami Gertz) returns the missing pipe to its rightful owner, Mr. Van Daan (Keith Killips). **Below:** The fear of discovery causes an emergency conference between the two families, as Mr. Van Daan discusses their course of action with Mrs. Frank (Cindy Mieszala).

Despite all their troubles Mr. Frank (Eric Ellsworth) lights the Chanukkah candle while the family celebrates.

Mrs. McThing Casts A Spell

Cast, crew, costumes, make-up, directors, publicity, every little detail contributed to the production of the winter play. Over fifty people were involved in this year's production, **Mrs. McThing**. The fantasy-comedy by Mary Chase portrayed a little girl whose mother, a witch, teaches a few valuable lessons to an indulgent rich widow and her spoiled son. The play dealt with growing up, learning to appreciate things, and getting along with each other. The play, directed by Mr. Daryl Schultz, ran for two days, and despite the record breaking cold weather attracted a sizable audience.

Top Left: The Lewis girls (Nancy Totzke, Jenny Greske and Susan McFeggan) are chased out by the insulted Mrs. Howard V. V-Show Rids Us Of The November Blahs

Mid-November we found ourselves seeing another V-Show production, hosted by Doug Walls and John Johansen. Again we saw some of our favorites in routines that showed talent and even courage. The audience was rowdier than usual, no doubt indicating their approval of all the exciting and ear-shattering music and the humorous and comic skits.

From a pretty little dolly from Santa, Ragtime, and the magical Matt Lundergren to the V-Show's version of Swan Lake, the cast of 200 people succeeded at entertaining us.

This year's V-Show '81 was staged and directed by Kristin Pavkovic who helped improve the show throughout rehearsals and opening night. Phillip DeBock, Lawrence Heyman, and Sue West, with the help of 20 crew people perfected the technical staging and lighting for V-Show '81. And none of it would have been possible without the assistance and direction of Mr. Jeffers, Mr. Kleinfeld, Mrs. Duse Frank, and Mr. Premo.

Play-A-Thon Raises 23 Grand

If you were a music lover, you wouldn't have wanted to miss the musical marathon which performed five hours of endless music. This was the second year the marathon was held. The members who participated were from the Concert Orchestra. All members had sponsors who signed up a certain amount of money and in total, the Play-a-thon raised \$23,000 dollars. The money was used to pay for the Orchestra's trip to The Dorian Festival at Luther College in Decorah, Iowa. Mr. T. Hageman was the conductor of the whole project.

Int'l Feast Delights

The International Dinner celebrated its thirteenth year with a larger audience, a wider variety of ethnic dishes and a more colorful array of costumes, dances and songs than ever before. The Foreign Language Department's tradition of celebrating the holidays together has become a major event. With an ever increasing number of students from other countries, Maine East has truly become a United Nations.

Girls Choose Their True Love

Saturday, February thirteenth was the evening for a Maine East girl to invite her "Endless Love" to the Girls' Choice Dance. The dance, sponsored by the ever famous Maine East Demon Squad and Cheerleaders, attracted 175 couples. "Triffid" lit up the dreary cafeteria with their sounds while everyone seemed to be enjoying themselves.

"Anything Goes"

The Maine East Drama and Music Departments presented an adapted version of "Anything Goes" from the original 1932 era. The show was updated to produce an image similar to the television show "Loveboat" on ABC. The show, with 24 cast members, was double-cast and was performed on April 30, May 1, 7, and 8. The people who shared the same role worked well together and tried to help each other, thus sharing the spotlight equally. The students used each other as models yet worked separately, having each character maintain his own style. Head Director, Mr. Jack Olander, commented, "We're not trying to compete with professionals . . . We're here to give people an educational experience in musical theater. The more we can touch that, the more we can do our job."

New Leaders Named

Leadership in District 207 changed hands after fifteen years with Dr. Short's resignation to accept a position with Lutheran General Hospital. Dr. John Murphy, formerly Superintendent from Raleigh, North Carolina, was named to replace him. An experienced educator and administrator, Dr. Murphy accepted the position and faced the challenge of declining enrollment and financial solvency as the major concerns of this district. Of even more concern to us was the arrival of a new principal, Mr. A.K.H. Cochrane, former principal of Maine North. As the third principal in four years, Mr. Cochrane made the transition for the 800 students and 60 teachers from North easier. For those of us who were already here, he reassured us that Maine East would continue with its programs and policies. His presence in all areas of the building, his classroom visits and his attentiveness to students' problems accounted for his popularity. According to senior, Marc Cooperman, "I saw a man that truly cares about the school he runs; a man that truly cares about the students of that school; and a man that seems to be doing a lot to help both." For most of us, the changes did not make a big difference, perhaps suggesting that a school's successful functioning depends more on the cooperation of all of its parts rather than the efforts of one of its parts.

Art, popular with students

The Maine East Art Department enrolled about 20% of the student body. Unlike enrollment in the last few years, this year saw an increase in the popularity of the department. According to Mr. Whitley, the Department Chairman, one reason was the easier accessibility of the classes, with Art I and Art II going from a 1½ period to a single period class. In addition there were more classes available because of the 9 period day. The department offered 9 separate courses. A beginning student enrolling in Art I worked in the areas of painting, drawing, printmaking, 3-dimensional and 2-dimensional design. Each successive level of Art introduced him to more advanced media and techniques. The department also offered courses in Design and Materials, and Photography. Design and Materials involved jewelry making and metalwork. The Photography classes, housed in a newly remodeled and expanded facility, encompassed a full range of techniques in black and white, and color photography. Many students felt rather fortunate to have such an extensive program available to them.

89% Enroll In Voc. Ed.

Enrollment increased in the Business Department despite the fact that two classes, Secretarial Office Practice and Cooperative Office Practice, were dropped from the curriculum. Mr. Will, Department Chairman, said, "89% of the student body is taking some vocational course." Students seemed to be more aware of and concerned about preparing for future occupations in the business world as more and more of them enrolled in business courses. As a result of the increase in students, three new teachers, Ms. Robin George, Mr. William Verber and Mrs. Caroline Hommerding, were brought from Maine North. To handle all these students ten new IBM electric typewriters were also purchased.

Dr. Ed Integrates on Road and in Class

"Maine East has one of the best Drivers Education programs and a good staff," stated our well known Department Chairman, Mr. Holsen. The major reason our program was so good is because of the integrated course system. This means every week a Drivers Ed. student has one day of simulator, two days in classroom and one day in the car. In class work corresponds

to on the road actual driving experience.

About 80% of the student body enroll in this class sometime during their four years here. The Drivers Education department could boast that they had the best attended classes in school.

T.V. Studio Gets A New Look

The highlight of the Speech and Drama Department this past year was the new equipment in the T.V. studio. It was purchased as a result of last year's center court fire. The newly purchased materials were significantly better in quality and capability.

The T.V. studio continued to work on projects such as programs for the School Board, the district and educational purposes. The students had an active part in producing and

directing the program's tapings. The referendum meetings for public relations purposes, LRC procedures and English class tapes shown to the students for teaching uses and V-show were the main projects of the studio. For the first year a new survey class was introduced. It was designed to take over the Introduction to Speech and Introduction to T.V. classes. The department decided to return to a survey course because it was more suitable for teaching purposes.

Priorities Change

English was in demand this year. Ninety-two percent of the student body took an English course. Writing courses were a top priority because students realized the importance of having good writing skills for college and future careers. Classes were compressed and paired giving fewer choices for the students. Dr. Howarth stated, "Elimination and compression were the key words in scheduling classes, but next year there will be more classes offered and free floating electives." Even with changes in the English curriculum, the students continued to have some choice in the courses offered.

Students Turn To Guidance

Ever since 1968, the Maine East Guidance Center has been assisting students in selecting courses and preparing for educational or training opportunities to become successful in their career fields. Mr. Hohn, career counselor, kept current with college admissions regarding requirements and scholarships. As far as the Guidance staff was concerned, two counselors, Mr. Doug Harrison and Mr. Jack Tanner, returned to East. Mr. Sherman Roth, originally from Maine North, became Director of Student Personnel Services to replace the retired Mr. Van Scoyoe. Guidance also made available G.I.S., Guidance Information System, which enabled students to research college, career or scholarship information. When all else failed, many of us turned to Guidance for answers.

Department Gets New Chairman

After teaching French for 13 years, Margot Steinhart became the new department chairman, replacing Don Anderson. She started the school year off with a few alterations. Accelerated levels were added to all language classes and more lab programs for beginning students were introduced. The Language Department held its second annual awards banquet, along with its first foreign language picnic. George Williams College sponsored Immersion Weekend for Spanish and Italian students, which enabled them to practice language usage. Teachers, Mary Anne Weld, Heidemarie Rupp, Marion Schultz, and Karen Labbe, were new assets to the Language Department.

Creative Experience Given Here

Home Economics courses continued to provide practical everyday experiences for many students. C.C.O. operated a nursery school where juniors and seniors learned how to teach preschoolers. Independent Living students went through the procedures of renting and budgeting apartments of their own. Clothing students made clothes that could compete with "G.V." herself. Models of students' "Dream Houses" were made in Home Planning/Interior Design. Psyche students also took a field trip to Brookfield Zoo to observe animal behavior. Work programs from the Home Ec. Department, C.C.O., C.L.I.D. and F.O., gave students the chance to earn and learn at the same time.

Build And Repair

The basic purpose of Industrial Education is to teach students how to operate machinery, how to develop skills, and how to apply these skills to create, build, and repair consumer's goods.

For the first year, a one-semester Home Mechanics class was offered. The purpose was to teach students fundamental skills useful around the home. Electrical work, fixing and replacing faucets and maintenance were a few of the subject areas covered.

After graduation, 80-85% of the students involved in printing classes at East have gone on to jobs which utilize their training. In the other Industrial Ed. fields, 40-50% of the students generally go on to earn a living using skills they learned.

LRC Adds Equipment

Along with the addition of students and faculty came a large volume of books and library material. More volumes meant more books on the shelves of Maine East's library. East inherited so many books that the head librarian, Mrs. Meyers, said, "It will take a couple of years to get all the books unpacked and put on the shelves." Along with all the books from North came A-V software like record players, film strips, slides and cassettes. The LRC also inherited a lot of hardware such as film projectors and overheads. Mrs. Meyers said, "That was good because most of North's material was new and in better condition than East's. Because of the 'new' equipment, East did not have to buy any new materials. Ms. Helen Holt returned to East after a year at North so the LRC was staffed with four experienced librarians. Even though there were more students using the LRC, the discipline seemed improved compared to past years.

The math department has been substantially enlarged this year, not only by classes offered but also by teachers added. Mr. Anderson, Mr. Oliver, Mr. Smith, and Mr. Veile were from North, and Ms. Estes and Mr. Paisley from South.

The enrollment in math courses increased this year by five percent. This was a result of restoring the nine period day.

Rise 'n Shine In Tune

Making music at 8:00 a.m. was a real challenge for Maine's musicians.

The scheduling of band, orchestra, and choir was changed to homeroom and first period which enabled more students to participate.

Mr. Premo, Chairman of the Music Department, and Mr. Olander, choir Director, returned to East after 11 years at North.

According to Mr. Premo, "Combining the North and East music departments has given the students an opportunity to meet new challenges and attain musical dimensions at a new level of excellence!"

Social Studies broadened its horizons with a new course, European History AP. This course was introduced at East under the influence of Mr. Glenn Hoffmann, and taught by Mr. James Garvey. Mr. Garvey stated that this was a very challenging course which helped prepare students for college. Students showed much interest in this course, despite all the hard work. As one student said, "The course proved challenging".

History students, who entered the Metro History Fair, submitted projects on the subject of Chicago history.

One change planned for 1982-83 is the elimination of three courses: Urban Geography, History of the Non-Western World, and Social Science on the Freshman level. Instead a course entitled World Culture will be offered.

Science Perseveres

Of 3400 students, about 50% were enrolled in a science class. Fewer students seemed to be electing a science class. For the past three years the Science Department has proposed making a year of science a requirement for graduation. Many students when asked agreed. With the closing of North, the department acquired newer equipment as replacements and additions so all labs were generously equipped. In addition four new teachers added flavor to the department bringing their knowledge and expertise. Caring for the greenhouse became a work project for Mr. Doescher's special education class. According to Mr. Foreman, "Under the department's supervision, these students are doing a fine job of keeping up the greenhouse."

Mr. Daugherty shows his class the formula they are to memorize for their exam.

Let's Get Physical

"We have a program that offers many opportunities for the students and a variety of classes they can choose from," stated Department Chairman, Ms. Bovenmeyer. During the past year the Physical Education Department lived up to this statement by offering a greater selection of classes. The increased enrollment also added to the variety and number of available choices. The wide variety included more dance classes for the girls and boys' floor hockey. In addition, the ever popular Scuba, Fencing, Archery, Self-Defense, Golf, Aerobics, and Social Dance classes were available for interested and daring students.

The system was not without its problems. The selection process was time-consuming and sometimes not fair to those who picked last. An insufficient amount of time for each unit and regulations concerning the allotted dressing time and uniforms were of importance to the department. However, students managed to survive and for the most part enjoyed P.E.

Leaders Gain Experience

What is a Junior Leader? It is a junior in training to be a Senior Leader. What is a Senior Leader? It is a senior who assists gym teachers in P.E. classes. The duties of a Senior Leader consist of leading calistenics, teaching skills to sub-groups, collecting equipment, officiating games and taking attendance. "It provides an opportunity for students to develop leadership qualities and associate with other students in a helping manner," says Mr. Kennedy. There were about 25 boys in this year's program. The majority of the 20 girls were from Maine North. "Girls from North have fit in very well and did a fine job," said Miss Bovenmeyer, and added that, "The whole leadership program is an excellent learning experience."

girls' program was led by Mrs. Davitt and Miss Bricker, who said "In order to help next year's senior leaders have a very rewarding situation, we both have tried to incorporate a variety of experiences into the Junior Leader Program." Some of these activities were assisting and observing classes, discussing concepts, keeping diaries and learning how to play, teach and officiate games. Mr. Guilfoil was the teacher of the boys. He tried to expose them to all the varsity sports. To help them officiate games, they learned and were tested on the rules at the end of each unit. Leaders do many things and maybe one of the most important is just being a friend to the students in class.

The juniors had a busy year preparing for their senior year. The

Aides Prove To Be Important

The students' needs in Center Court have been identified more rapidly each day. For the past five years Maine East has had several center court student aides who come in during free periods and help with whatever class is going on. The time and energy of these aides is greatly needed and appreciated by the teachers. There is no credit involved with being an aide. To be an aide, an interview is required. The aides are getting good experience in learning patience and different ways of teaching different types of people. They have also learned that although these students may be handicapped, they still have feelings.

Teachers Aides play a major part in the student's learning process.

Those Who Count

Here are the people whose hard work everyday is not always recognized but should be commended! Yes, they are the paraprofessionals, secretaries, cafeteria workers, custodians, and security guards. Without them a smooth day at Maine East would not be possible. Also, welcome to the new faces that have joined the staff from Maine North. Individual Players Earn Honors

A new coach was added to this year's Varsity Football Team. Assisting Coach Al Eck, was Coach Don Olson from Maine North. Many team members said, "Olson added one of the most important qualities necessary, spirit and enthusiasm on the field." Although our Demons ended their season with a 3-6 overall record and 3-2 in conference, their victorious win over Evanston(13-12) brought much success to some of the team members. Mike Aaknes was named player of the week by the **Chicago Tribune**, and WLS awarded the team with "team of the week." The season started off slowly, peaked at the Evanston game, and then dropped with our loss to New Trier. All-conference competitors included seniors, MVP Mike Aaknes, Mike Coglianese, Jim Christensen, and Pete Varco. Seniors Mitchell Whitefield, Keith Filas, Bill Kremer, Rich Twarowski, and juniors Scott Mareci, Bob Laeusen, and Jeff Wittmus made special mention to all-conference. Mike Aaknes and Mike Coglianese went on to attain Honorable Mention to all-area. Though Varsity might not have had a winning season, our Junior Varsity team took first in conference. It was the third consecutive year of first in conference. Their record was 5-1-1 overall and 4-0 in conference.

Sophomores Take Conference

After having a slow start during their freshman season the sophomores approached the '81 football season with a winning attitude which paid off at the end with a 7-2 overall record with an impressive 4-0 undefeated conference season. The defense was the toughest in the league as they gave up less than eight points per game. A former Norseman, Steve Davidson, was voted MVP while Stan Chwastek was most improved player.

"After the first game the team really pulled together. We were a close team. Coach Sartini let us have a lot of fun and still made us work. He brought out the best in us. We really put it together at Evanston and New Trier," said co-captains, Danny O'Connor and Jim Katris. The team worked together and finished a successful season. Prospects for next year's football season looked better than ever.

Frosh Take It On The Chin

Frosh struggled through a rough season. Even though they had a tough year with a record of 1 win and 7 loses, they worked hard and kept up their spirit. It was inexperience, a small turnout and tough competition that worked against the young Demons.

Cross Country Gets New Coaching Staff

Maine East's Cross-Country team was off and running with two new coaches J. Anderson and J. Garvey, helping the team get on the right track. The team finished its season placing third in Conference, fourth in District and eighth in Sectional. In their dual meet, the Demons tied conference champion, Maine West. This year's team captain and most valuable player was Curt Rothlisberger, a senior. Curt made all-conference in addition to being a state qualifier and district champion. Tom Polak also made all-conference, and Mike Brim was sophomore conference champion. The team's goal for next year is to be very competitive. Coach Anderson viewed the varsity runners as "an extremely dedicated group who were inexperienced this year but should be dynamite he next two years." The season ended with seven wins, two losses and one tie.

Kickers Experience A Tough Season

An excellent mid-field, returning letterman, and several outstanding players were the Varsity Soccer Team's highlights this past year. Coach Dollaske's feelings toward the season consisted of regret for the small number of (Maine North) students who came out, but he was pleased with individual performances. Outstanding players were Jim Ruscheinski, all-state; Juan Reyes, all-conference; and Steve McMahon, both M.V.P. and all-sectionals. The Varsity squad ended the season with a 5-6-6 record.

The Junior Varsity Soccer Team had a season of ups and downs. Coach Guilfoil stated, "Potential is there for a good team in the future." Dirk Gruettner and Mike VanVekoven were the team's outstanding players and Phil Partipilo was the leading scorer. J.V.'s over-all record was 3-5-3.

Soph's Tie Record, Frosh Display Talent

A record of 9-6-3 enabled the sophomore soccer team to tie the record for most wins of any sophomore team in previous years. Coach Woerter felt the team played well together and had an overall enjoyable season. John Ruscheinski, Tim Panfil, Ken Blumenfeld, Won Kim, Dan Holst, and Dave Greenfield were the team's outstanding players with Ruscheinski making 9 goals and 4 assists. Mr. Woerter stated, "Some of these players will add depth to next year's varsity squad."

The freshmen team's performance according to Coach Kessler had "the most talent I've seen in 5-6 years of coaching a freshmen team." He also felt the team learned a lot, had fun playing and accomplished what they set out to do—develop their soccer skills, learn about the game and improve their performance. Some of the boys who carried out these accomplishments were Glenn Cappick, Rob Zettl, Andy Reichert, Brian McCarrick, and Howard Liberson.

Bowling Team Survives

There was a question whether the bowling team was to exist or not this past year. Well, it did. They started their season in late October. The team consisted of only three returning members while the rest of the team lacked experience. Holding the highest average was Rosemary DiMaggio. There were a lot of freshman who worked to gain some experience for the next year. The team bowled at Golf Mill lanes every Tuesday and Wednesday.

VB'ers Show Strength

It was a very good season for both the freshmen and JV teams in a sense that there was all around improvement. With Maine North players joining the teams, freshmen weren't the only newcomers. The leading player on the freshmen team was Stephanie Domashewsky. Mrs. Davitt expressed hope that the frosh team would lead to a strong JV team next year.

The JV team showed both spirit and sportmanship as they competed. Lar-yssa Wynnychenko led the team in serving, while Geraldine Bertucci led the team for setting. With all the hard work they did this year the JV team is off to a good start next season. Mrs. Davitt said, "This was one of the best JV teams we ever had."

Dedication Pays Off

A lot of hard work, especially on defense, was put in by the varsity team. This dedication paid off for Vicky Oster, who made all conference; Linda Frederick, who lead in serving; and Linda Wilson who did well in hitting. Coach Davitt said she was pleased with the effort and improvement throughout the year. The team's season's record was 3-15.

Sue Slezak urges the ball to fall into the right hands for a perfect set up.

Talent Nets Results

The combined talents of the former Norsemen and Demon players enabled the Girls' Varsity Tennis Team to finish a successful season placing third in conference and second in districts. The J.V. Team closed out their best season placing second in conference. Outstanding individual performances were provided by sophomore, Shelly Weiner, and seniors, Tammy Malter and Leanne Mathisen. Shelly came in second in district singles. Tammy and Leanne finished fourth in district doubles. Coach Wilson stated that Captains, Missy Sostrin and Leanne Mathisen, along with seniors Denise Cerny, Loretta Nickel and Tammy Malter will be missed next year; but a group of promising players will return to carry on the strong tennis tradition.

Heartbreaker Ends Season

Love, The Kathy

This past season was a very improved one. The Varsity Field Hockey Team ended their season with a 7-6 record. There were three outstanding players, Beth Bialko, Dorothy Krause, and Kathy West. Beth was the captain and played center half-back. Dorothy Krause, the team's highest scoring player, scored nine goals against North Shore Country Day. Kathy West was the team's goalkeeper. As a sophomore, Kathy should be an even bigger asset in the future on Varsity. There were two freshman on Varsity, Sharon Hanlon and Maureen De Chaud. These players will be the team's backbone next year. The team made it to sectionals and lost a heartbreaker to Deerfield in overtime.

Varsity Shows Consistency

If there was one word to characterize the 1981 Golf season, it would be consistency. The Varsity finished third in conference and fifth in district meet this year. The team had a dual record of three and two. Garry Gustafson and Rolf Schwarz made the top 10 conference individuals, which qualified them for the all-conference honors.

Seniors Mike Bastian, Ira Fishman, Garry Gustafson, and Jim Tait were reliable scorers for the team, and will be missed next year. Rolf Schwarz, a sophomore, was this year's most valuable player, with the total lowest average.

Despite its rumored closing, the Rob Roy Golf Course will remain open, and will continue to serve Maine East Golfers. Varsity coach Don Keane feels that with the leadership of Rolf Schwarz and returning juniors, Doug Fick and Mike De Vivo, the prospects for a successful season next year are rather promising.

New Team Arrives

At last the long awaited Girls' Cross Country Team arrived at Maine East. They competed in the Glenbrook South District. Although the team did not make it to State, the Demon Girls' Cross Country took first place in the Viking Invitational and won the championship trophy. They also won third in the Rockford Invitational. The best over-all runner was Kim Davis.

For warm-ups the girls usually ran two miles each day (as if that wasn't enough!). Coach Garvey commented that it usually takes a school three years to establish a new team. Based on their first year's performance, Maine East's Girls' Cross Country Team has great potential in the future.

Girls Break Records

This year's swim team improved with the addition of the Maine North swimmers. Also, this year old records were broken by Kathy Nankervis in her 100 yard backstroke and her fifty yard free style. Mindy Anderson also broke her time in 100 yard free style and in the fifty yard free style. Rosie Wadman was titled most improved after taking 5th in the diving districts. Kathy Nankervis was awarded most valuable player. This year's captains were Angie Samaras and Karin Wehking.

Despite Inconsistency, Demons Beat Evanston

In assessing the basketball season, Coach Paul McClelland commented, "It was a pleasant one as far as getting the job done. These kids are high quality people." Inconsistency was one obstacle that stopped the Demons. They lost several games by one or two points to very good teams, and then they lost to a not so good team by a

greater number of points. Two starting line-ups were used this year. One consisted of only seniors and the other of three seniors and two juniors. Their wins over Evanston by one point and Alton, Illinois, at the Carbondale Tournament highlighted the season. Another was our 19 pt. win over Dempster Rival, Notre Dame. Outstanding

key figures for the Demons were Mike Overbeck and Pete Szoke, who were good shooters, and Dan Redig, who was leading rebounder. Looking ahead to next year, it seems the team will more or less be built around the Sophomore Champions and two Juniors who saw a lot of varsity playing time, Gary Redig and Tim Benka.

Frosh Cagers Face Tough Competition

The frosh cagers finished in third place in a very tough conference this year. Their conference record was 6 and 4 with an overall record of 9 and 11. The young Demons had trouble winning the close games; they lost six games by three points or less. The Demons were led by forward Randy Busiel who averaged 11.5 points per game. Jim Thull received the most improved player award and Ivan Rhinehart and Rex Brady were voted team captains.

With a lot of work in the off season and some growing these young Demons will be serious contenders in the future.

Sophs Win Another Conference

The sophomore cagers were one team no one wanted to miss. The merging of East and North basketball teams proved quite beneficial. "They are an exciting team to watch. They have a strong offense with 54 points average per game. The defense was also strong, only giving up 37 points a game," said Coach Sartini. Co-captains were Andy Mackowski and Anthony Edwards. MVP was Chris Varco. Anthony Edwards was the leading scorer while Andy Mackowski had the most assists and Matt Fisher the most steals. The young Demons came in first with a 8-1 in the CSL and a best record by a sophomore team with a 19-2 overall. According to Coach Sartini, "They gave 99% to hard work. If the team grows a little more, they will become great for next year." Chris Varco, starting center, said, "Sartini is not only an excellent coach but also a friend."

Best Record Ever

The season started out great for the Girls' Varsity Basketball Team, but in the middle of the year injuries prevented them from performing to their full potential. In the end of the season, they regained momentum by placing first in the Regionals. Even though they lost the first game of sectionals, they ended the season with 14 wins and 11 losses. This set a record for the best season of any Girls' Varsity Basketball team in the history of Maine East. The leading scorers were Ann Skuran, Sue Busiel and Linda Wilson. Other valuable players were Beth Bialko, Lori Spino, and Teri Loeding. Coach Fischer said, "I enjoyed this season. They were a good group of girls to work with. After injuries slowed them in the middle of the year, they came back at the end of the season by handily winning the Regionals."

JV Supports Varsity

After only ten years of competition, girls' basketball came into its own at East. Junior Varsity team's MVP was GERALYN BERTUCCI, and JILL GORLGAN was H.C. The top scorer and rebounder was Mara Evert. Even though an injury prevented Lisa Cook from playing in the start of the season, later she did help with the team's total effort. Mr. Tortorelli, the coach, said, "The twelve girls got along great. They formed a very great group of cheerleaders for the varsity team."

174 was the magic number for Chris Peterson; that was how many points she scored this year while playing on the freshman team. "All girls contributed when there is team play," said Mrs. Bontsema. After coaching for three years, this was Mrs. Bontsema's last year of being the coach for freshmen girls' basketball.

Lori Greenberg Qualifies For State.

The Demon Girls' Gymnastics best meet was against Maine West, where they scored 108.55. In conference, Christi Schachte took first place in vaulting with a 8.9. This was the second consecutive year she won with the exact same score. Lori Greenberg took fourth in the vault and second on bars. Christi Schachte was the all-around conference champion. Christi also became the district's all-around champion. She took first in vaulting and Lori Greenberg took second place. Lori also took second place on the bars. In sectionals, Lori took fourth place in vaulting with 8.95 which enabled her to go down state.

Pattey Lehman unfortunately was injured during the season,

making her unable to compete or try to go down state. It was a bitter disappointment, for it was a sure guarantee that she would have made it down state. Her season's average vaulting was 8.85. She was the overall leader in vaulting.

It was a bit of a disappointing year for the Demons, for this year was the first time the team did not qualify for state. Miss Axelson commented that the competition gets harder each year. The girls' gymnastic team co-captains were Lori Greenberg and Pattey Lehman. The J.V. team had five freshman and one sophomore. Varsity consisted of one freshman, one sophomore, one junior, and two seniors. Miss Betty Axelson was the coach, and Sharon Palumbo was the J.V. coach.

Swimmers Glide To Victory

The 1981-82 swim season was certainly one which won't be forgotten. Most of the success was due to the determination and great skill possessed by the swimmers. However, special recognition must be given to the new coach, Scott Guilfoil. Both Freshmen and J.V. swimmers performed very well this year thereby assuring Coach Guilfoil promising candidates for the Varsity Swim Team. The varsity swimmers built up their endurance by following Guilfoil's strict regulations. They were required to swim each morning from 6:00 a.m. until 7:45. Likewise, practices were held every day after school as late as 8:00 p.m. All this hard work paid off, for several school records were set and four swimmers qualified for state. Senior, D. Urich qualified for the 50-yd. freestyle, Junior, Larry Tajiri for the 100 yard butterfly and Junior, Sean Brady for the 100 yard backstroke. Also, Dave, Larry and Sean combined with Senior Chris Childs, qualified for the 400 yard freestyle relay. Coach Guilfoil stated, "This was a great way to wind up the season. We won nine out of twelve dual meets and our district performance was icing on the cake."

Divers Make A Big Splash

The diving team, which consisted of five divers, was a small but outstanding team. Practice every day after school and Saturday mornings helped the divers win nine out of their twelve dual meets.

Coach Belmonte was especially pleased with his varsity diver, Kevin Piasecki. Kevin took first in nine out of twelve competitive dual meets and placed fifth in districts which qualified him for state.

Ian Silber also deserved individual recognition for his outstanding effort.

Madonia Takes First In Tourney

The Frosh wrestling season ended with a 6 and 8 record because of their daily grueling practice sessions. Freshman wrestling captains, Jim White and Joe Madonia, held season records of 17 and 2, and 27 and 1.

Madonia placed first in the Fenton Tournament and was voted most valuable player by his teammates. The most improved award went to Jeff Hall, who had a 15-4 record. Hall also won the Freshman Conference Tournament. Winning or losing, Chris Schlake always showed sportsmanship and spirit. Chris was voted Sportsman of the Year.

Many of the players, at times, even made personal sacrifices because they had to closely watch their weight for meets. On the whole, the team's performance showed marked improvement.

Wrestlers Contend With Setback

Determination and optimism prevailed even with all the odds against the young Demon wrestlers. The major dilemma that the Demons suffered was the lack of both the heavy-weight and 98 pound divisions, thereby penalizing the team 24 points each meet. Despite these additional setbacks, the individual wrestlers performed quite well. Senior Mike Mayster, set a new record by completing a fall in 11 seconds as compared to the old record of 16 seconds. Coach Presern felt that junior, Dave Sherman, would be a state champion next year. Both Mike Mayster and George Weymer, were two new assets, originally from Maine North, and Jim Katris appeared to be holding his own as a sophomore. Coach Presern expressed optimism for the coming year. As for this year, he appeared pleased with the team's effort as he emphasized, "Each individual has done an outstanding job."

Team Increases In Size And Depth

The Boy's Varsity Gymnastics team had depth, which meant the team was able to enter 5 to 6 boys in each event. The team increased in number with the addition of former Norsemen. This helped to make this year's team a very strong competitor. The strongest all around gymnasts were John Parlich, Jim Lieneweber and Mark Richter. Coach Gardner said, "We had the nucleus for an excellent team." It was the 24th year that Mr. Gardner had coached gymnastics. The coach is looking forward to next year because most of his valuable players will be returning as seniors. He also has high expectations for two of his sophomores- Phil Levin and Jory Clebanoff.

Experience And Depth Makes 'Em Tough To Beat

The track team this year was coached by four highly qualified individuals; Mr. Anderson coached the distance runners, Mr. Eck coached sprinters and long and triple jumpers, Mr. Doescher coached pole vaulters and high jumpers, and Mr. Rotzoll coached shot-putters, discus throwers, and high and low hurdlers.

On Varsity, the top events which helped our team were the high jump, mile relay, high and low hurdles, and pole vault. In the high jump, Tim Benka jumped 6'6" while Pete Szoke came close behind jumping a 6'4". In the mile relay, Kurt Rothlisberger, Pat Berrigan, Steve Rupkey, and Leo Vergera ran with a good time. Outstanding on high and low hurdles was Steve Rupkey. In pole vault, Rob Keating vaulted 13'6". In the CSL meet, Maine East finished third.

Although not a crowd appealing sport, the guys were very serious about the season. Fewer students went out for track this year in spite of our increased enrollment. There were seventy-two boys whereas 100 would have been a lot better.

Mike Aaknes and Dave Rhein were plagued with injuries during the season which prevented them from competing at their best; Mike being a mile relay runner, and Dave being a discus thrower.

Strategy Utilizes Defense

Strong potential, improved skills, participation and cooperation were the strong points of the Girls' Softball team coached by B. Bricker. The team concentrated on playing a strong defensive game with an aggressive approach to their offense. The girls' conditioning included throwing, pitching, fielding and base running to prepare for their major opponents Niles West, Evanston and New Trier.

Girls Make Strong Comeback

The '81-'82 girls track team consisted of twenty-nine girls. In the Maine East Invitational, the girls came in first. In the tough Evanston Invitational, East placed third, their best effort indoors. The 'hopefuls' for state are Judy Tarlos, Ann Skuran, Kim Davis, Patty Merek and Rosie Wadman. "The team was a real surprise. We returned this year with a great comeback. I never thought we would come this far," said co-captains Rosie Wadman, Judy Tarlos and Angie Samaras.

Off To A Good Start

The badminton team was off to a good start as they won their first two meets. As a whole, they were doing well with Nancy Pryst and Patty Raniere in first and second singles and Ann Sorenson and Pam Pryst in first doubles. Ms. Neiweem hopes to build a strong team for the upcoming season. Her goal for next year is to have everyone return.

Give It Their Best Shot

The 1981-82 tennis season will have a difficult time matching the success of last year's season. However, with the return of lettermen, Monty Oppenheim, who was fourth in state last year, Rob Gurolnick, last year's state qualifier, Steve Rosen and Marc Roth, the future looks optimistic. Likewise, the tennis team acquired two Norsemen players, Corey Wilner and Steve Arkin. The Frosh-soph team has a strong group of returning starters this year, as well as some promising freshmen. Because of their determination, both teams will give it their best shot.

Hard Work Pays Off

Last summer the Varsity baseball team had already started preparing for their spring season with a summer training camp held at Maine East. This program organized by Coach Olson helped the team greatly. When their season started, the Demons won five out of the first seven games. Tri-captains were Ken Reeve, Dan Redig, and Gary Sellergren. Jim Pullen helped bring in a lot of runs and John Teichman, Scott Mareci, and Jim Prims pitched and helped keep the opponent's scores low. "They are all hard working guys," says Coach Olson. Mr. Verber was the Assistant coach. This was the fourth year that this coaching staff has been together. Combining East and North forces, according to Coach Rolla will create a strong core of the upcoming season. Of the nineteen boys on the Sophomore Baseball team, the outstanding players were Wayne Patro, Mike Regan, Jim Mundis, Garry Wisnieski, Fred Goldman, and Scott Bower.

Five fast learning juniors, four new seniors, three junior editors, two super sophomores, a set of twins, two hardworking freshmen, one on-the-run Editor-in-Chief and our ever patient Miss Wit were what made up our 1982 **Lens** Staff. Our staff increased 100% since last year with more freshmen and sophomores joining in the fun. The staff made up for its lack of experience by working hard and learning quickly. To accommodate our larger staff the move we made to Rm. 234A was extremely beneficial. Room 234A had been the yearbook staff's home ten years ago and so we found ourselves back in our original home.

Cooperation Pays Off

Three years ago Maine East's **Pioneer** became the first of the Maine Township school papers to be printed in school. That saved money and made the newspaper an all-school activity. While journalism students used their writing skills to maintain the quality of the paper, Graphic Arts students got an opportunity to develop their printing skills and at the same time to apply them usefully.

This year the inter-departmental cooperation continued and expanded. Graphic Arts students were not only involved in the technical production of the paper, but also in its design. Senior Graphic Arts students, Joe Knuerr and Mike Moore, took an active part in the production of the paper. As part of his CWT assignment, Joe assembled copy, pictures, captions and headlines into a final proof, which Mike then printed on the offset press. In addition, help was provided by Photography and Art students. Mrs. Hutson, the newspaper sponsor, encouraged participation of different departments, "The greater the diversity of the students involved in **Pioneer**, the better it will reflect student life and student interests at East."

Another interesting aspect of the paper was its literary supplement. Introduced last year, it proved popular with students in both submission of material and purchase of the newspaper. Mrs. Hutson expressed a concern that the number of literary submissions decreased this year. But it still remained one of the strongpoints of the paper.

Finally, the most important part of the paper, its writing staff, expanded this year with the result of a greater variety of subjects and writing approaches. Also, the active participation of the Journalism classes, especially toward the end of the semester, made The **Pioneer** an even more worthwhile publication.

Altogether, it was a year of steady improvement and cooperation. As to future plans, Mrs. Hutson hopes for more participation from the various departments and clubs around school to make the **Pioneer** an authentic reflection of the school community.

Council Combines Talents

Student Council planned activities to promote fellowship among students. The best ideas of the two councils promised a year of fun and interesting activities for everyone. The first activity Student Council organized was the 1981 Homecoming. During the week, students were encouraged to wear hats and blue and white clothing. A pep rally was held and for daring couples, there was an opportunity to play in the Dating Game. Student Council was also in charge of the election of Homecoming King and Queen and the burning of the M.E. V-Show would not have been possible without Student Council. They financed the whole show and with the help of the music and drama department, V-Show was a success. The Show was the major fund raiser for Student Council. A new activity that was brought about this year was the Flower Sale. It was chance for friends, sweethearts, and secret admirers to send flowers to others for Christmas. This new idea attracted the students and hopefully will continue in the future years. A spirit week was planned. During the week, students were able to buy buttons to show their spirit. This year as in the past, Student Council held a Teachers' Breakfast and an Ice Cream Social. This helped members and teachers to know each other better and to thank teachers for all their support and help. Two times this year there was a Faculty-Student Luncheon. Here, they discussed latest developments in school and suggested new ideas for Council. The officers were Co-Presidents: B. Teraji, L. Greske; Co-Vice-Pres.: J. Mayer, L. Canter; Co-Secretary: H. Krubert, M. David; Tres. H. Clos. Sponsors were Mrs. H. Dobbins and Mr. J. Ball.

Honor Societies Generate Student Involvement

National Honor Society took on a special challenge this year to try to combine its 52 new Maine members. The society went to great lengths in order to attain a sense of unity among such a large group, since many of these students had classes with one another. Following initiation at the end of last school year, a picnic at a forest preserve was held so that new initiates from North and East could meet and get to know one another. Community services included a very successful canned food drive headed by Robin Distenfield, in which over 1500 cans were collected to be donated to the Little Brothers of the Poor. The seniors brought in more than half of the cans,

and the winning homeroom received \$25 for bringing in 144 cans. A new community service was started this year in which some NHS members periodically visited Ballard and St. Matthews Nursing Home to greet and entertain the senior citizens. In the spring, members carried coin-holding banks around school and collected money for Muscular Dystrophy. In addition, NHS got its own room for its tutoring service, which received so many requests that some juniors in accelerated classes were asked to tutor extra students. Maine Historical Society, Maine East's oldest honor society, was not as active as it has been in past years; however, the club did work hard to or-

ganize its annual Cherry Pie Festival. Held in February to commemorate Washington's Birthday, the Cherry Pie Festival captured everyone's attention with its interesting guest speaker. Phi Lambda Kappa, a foreign language society, consisted of twelve members. It is an officially chartered honorary society and students had to be enrolled in more than one language class as a requirement for membership. Another society, the National Art Honor Society had 31 members, which consisted of students who had one year of art with a B average. Although both societies were new to the school, each had established chapters in other high schools.

Seniors Place Sixth In State

This year Speech Team qualified for State Finals at Bloomington High School. Chris Fong and Don Dockman placed sixth in state. A number of team members qualified for sectionals. They included Alan Breitbart, Dramatic Interpretation; Alan Breitbart and Diane Cotton, Dramatic Duet; Jami Gertz and Tony Schor, Humorous Duet; Also Donna Jordan, Larry Heyman, Chris Feldman, and Don Dockman qualified. The Team placed second in districts.

The Speech Team hosted the IHSA (Illinois High School Assoc.) district meet here at Maine East. Many Maine East Speakers were eligible to qualify for SCOTIE, a tournament of champions.

At the Fremd Speech Invitational, a number of speech team members placed. They were Donna Jordan, Oratorical Declamation and Original Oration; Larry Heyman, Original Comedy; Jami Gertz and Tony Schor, Humorous Interpretation; Alan Breitbart, Dramatic Interpretation; and Chris Fong, Verse. The Speech Team did as well as they expected.

The Debate Team was in a rebuilding process this year. Mike and Jeff Ginsburg, former Maine East debaters, were hired as coaches to the Debate Team. The Debate Team spent the year preparing for next year's season.

Tony Schor and Jami Gertz, who placed in districts for humorous duet, show another side of their talent as they perform in the serious story of Anne Frank.

WMTH Celebrates 23rd Year

WMTH has improved through the years with an increased staff and improved technology. Last year's fire destroyed much valuable equipment which needed to be replaced. The WMTH station room was redecorated and filled with brand new apparatus. For 23 years, WMTH has served the community, through the community Bulletin Board. WMTH members broadcasted daily starting with Easy Listening at 9:30 a.m., ending with the final

news report. The students, according to advisor Bill Mitchell, were able to take charge and do everything they could thereby learning how to assume responsibility, and work cooperatively. The students seemed to be pleased with this arrangement, as station manager Nick Dalmaso supported, "People get involved, so it's a lot of fun." Besides learning about the importance of media, students were given a

chance to actually learn a career. Two former WMTH members from Maine East even hit the big time: Harrison Ford, WMTH's first sportscaster and Richard Koz, Son of Svengoolie graduated from Maine East. Whether it be for news on school closings or rock and roll, students could listen to broadcasts on the one and only 88.5 FM WMTH station.

After four years of raising money for proms and the class treasury, it looks like the Senior Class Council made it! The 1982 class officers were Co-Presidents, Missy Sostrin and Karen Brooks; Co-VP's, Alan Reback, Heidi Hirsticks; Co-Treasurers, Mark Wojak and Julie Gorsline; and Secretary, Helen Kim. "We both felt the leadership was very strong and they were able to handle the responsibilities given to them." The Council worked well together and handled most situations in a very mature way," said Mr. Barker and Mr. Orstead this year's sponsors. Throughout the past year the Council sponsored Homecoming Dance, the first Semi Formal Winter Dance, a candy sale in October and a Christmas candy cane sale. Some of the money raised was used to pay for Senior Breakfast which was held on June 3rd at the O'Hare Kennedy Holiday Inn, Rosemont. The Traditional Senior Superlatives were awarded that day also. Senior Prom "Looks Like We Made It" was held at the Arlington Park Hilton on June 5th. June 10th the Graduates of 1982 said goodbye to Maine East but not to the memories.

A St. Patrick's Day bake sale, a lollipop sale and candy sales were some of the activities the Junior Class Council sponsored to raise money for their prom. Junior Prom was held on May 22nd in our very own cafeteria. The theme was "We've Got Tonight." The juniors also spent time planning for their Senior Year. The sponsors, Mr. Dresen and Mr. Kovy, always added laughter to the early morning meetings. The officers were President: Amy Joptaszek, Vice-President: Donna Jordan, Secretary: Roberta Groch, and Treasurer: Amy Chang.

Mrs. Lloyd and Mrs. Cuser sponsored Sophomore Class Council through a busy year. They sold taffy apples during Homecoming, arranged ring sales from Balfour, sold candy and Demon pins in February. The President was Sunny Kim; Vice-President, Ann Joo; Secretary, Wendy Joseph; and Treasurer, Racheal Kao.

Elections for the Freshman Class Officers were held through homerooms this year. By doing it this way they received a greater percent of their class voting. The officers were President, Chris Schlake; Vice-President, Elaine Virant; Secretary, Donna Kopke; and Treasurer, Cydney Sturt. The class sold candy throughout the year to support their Treasury. Mr. Renz and Mr. Oliver, this year's sponsors, commented, "We have been pleased with the number of students who have shown interest."

New Squad, New Sponsor

This year was again considered a very successful one for the Demon Squad. The squad attended a four day summer camp given by NCA in Waukesha, Wis. There they competed and won two trophies, a spirit stick, and ribbons. The trophies were won for both home routine and technique used while performing camp routines. Each individual also went home with her own superior ribbon from competition. Fund raisers for the year began with the clinic the squad held in the cafeteria. It helped the girls interested in the squad learn more about what a routine actually was composed of. Added to that was the Girls' Choice Dance, co-sponsored with the Cheerleaders. The last fund raiser was a candy sale which was held during the month of February. This year the squad increased to twenty-five girls and two sponsors instead of one. The Demon Squad, headed by JoAnn Johnson and Robin George, had a very exciting year and a fulfilled one, too. Both sponsors were very supportive and helpful. This year's captains were Donna Waxstein and Jeanine Bekas. The trainer was Diane Davidson.

New Uniforms Capture Audience

The Maine East Cheerleaders had a very successful year. The Varsity Squad started the year out with an all-school assembly for the New Trier game. This game determined whether the Varsity Football Team could have had the chance to go down state. Dur-

ing the course of the year, the three squads sold M and M's and earned profit. Along with that fund raiser, they co-sponsored Girls' Choice Dance held on February 13. The cheerleaders attained a new sponsor for the year, Mr. Castronova, formerly from Maine

South. One brand new addition to the Varsity squad was the shining white uniforms. These uniforms brought a lot of attention to the squad and captured their audience's attention.

Keeping On Their Toes

Long hours of strenuous practice after school and on Saturday mornings added up to better technique and more energetic performances throughout the school year. Orchestis members participated in V-Show, musical, and their own Dance Concert "From the Sole." This year's concert featured many students who performed a variety of dances. From ethnic and modern to jazz and ballet, the dancers expressed their talents through movement. Donna Peota, Senior Orchestis President, was featured in a modern dance, "Ray's Song." Senior, Shirley Karwoski, a four year veteran, performed in many dances and choreographed the "Can Can," along with Debbie Goslin and Cara Williams. Mrs. Fisher continued to train both the Senior and Junior Orchestis Groups.

Synchro School Rallies

Swim show, Synchro School, swim-a-thon, AAU figure meets- these were just a few of the activities which kept the Terrapin members busy this year. The officers elected to lead this busy schedule were Jean Chrystal, President; Sue Kilroy, Vice President; Sue Caddell, Secretary; and Leanne Schatz and Nancy Dunn, Show Chairmen. This year, unlike the past, the Synchro school was held on Wednesday evenings. Sponsor, Kathy Fullerton, felt that because of the excellent teaching techniques, many of the young girls enrolled improved tremendously. The swim-a-thon was one of the major fund raisers. Diane Overbeck received the highest number of pledges; 63¢ per lap. Some of the girls competed in various A.A.U. figure meets during the school year and summer. The 1982 Terrapin Swim Show, with fantasies as a theme, was a real success. Miss Fullerton commented, "Each year it gets tougher and tougher to make the show better than previous years, so we'll have to try our hardest next year in order to succeed."

Nancy Dunn makes egg-beatering, a common water ballet skill, seem so easy, but to these beginners, it's a lot harder than it looks.

A new addition to the already formed language clubs was the Korean Club. A student petition resulted in the formation of the Club whose purpose was to maintain the heritage and customs of Korea and to promote cultural awareness. The Language Clubs continued their varied activities throughout the year.

Makin' Music

As in past years, Jazz Band also continued to hold concerts here at East, to perform at the Orchestis Dance Concert, and to give local community concerts. The Band was also involved in the Jazz Consortium at the University of Illinois. The members of Flag Corps performed with the Marching Band at the Home Football Games. The Band also appeared in the Park Ridge Memorial Day Parade. Formal ensembles were the choirs' main activities this year. The ensembles at East had private voice teachers and students were featured as soloists. The Choir and Orchestra also worked together on a symphonic Wind Ensemble in October. Orchestra, Band and Concert Choir also sponsored a holiday concert during the Christmas season. In January the 33rd annual winter band concert was held.

Trial Run Proves Beneficial

Great benefits have been achieved through the music homeroom this past year agreed to Mr. K. Gelz and Mr. T. Hageman. Both music teachers commented that the combined homeroom-first period music class allowed for scheduling of other classes among music-interested students. The past year was an experimental one for the music department. The orchestra took a trip to Luther College in Iowa from February 19-21. All in all, the music program at East continued to improve. Scheduling of classes, new meeting time and a lot of hard work made the music curriculum a successful experiment which will continue next year.

Athletes Promote School Spirit

M-Club and Pep Club are both composed of athletes, cheerleaders, pom-pom girls, and wrestlerettes. The sole purpose of these clubs is to promote school spirit. The clubs enlarged this year. Both clubs attended football and basketball games. Some attended wrestling matches and others attended other meets or games. The sponsors of these clubs are Mr. George Terzian and Mr. Ron Guisti.

Getting Inside Experience

A lot has happened since 1961 when there was only one work program here at East. Now we have six programs. Mrs. Campbell and Mrs. Petrucelli both agreed that more students join each year.

Each program has its own club. They go on field trips and participate in projects. Most of the clubs have their meetings once a week. The students learn such things as leadership skills, job interview techniques and verbal skills.

For example, one program, Child Care Occupations, gave students a chance to teach preschool to three and four year olds once a week. Most of them want to be teachers, and all want to have a career with children.

Along with daily classes and work, Office Occupations Club members competed in state and local contests. Some of the students that placed at the contest held at Northern Illinois University were Kristin Holst, first place in Communication Specialists; Cindy Foerster, first place in Job Interview II, Diana Danos and Denise Flick, who both received first place in Bulletin Board.

Math Team Gains Points

The Maine East Math Team had so many interested participants that tryouts for each class level were held before every meet. This provided for a better qualified team because only those students who received high scores on the sample test were allowed to participate in the meet. By the end of the season, Maine East was ranked in the top third out of twenty-five schools in the North Suburban Math League and took first place in the first meet. A special competition was held in March at Harper Jr. College to determine which students would be chosen to participate in the state meet in May at Illinois State University. Outstanding competitors this year were Ju Lee, Kevin Bartus, Bruce Brockstein, Steve Kim, and Victor Henzi.

The Illinois Math League this year sponsored six tests in which over 150 Maine East students participated. Held about once a month at 7:30 a.m., these tests drew record numbers of students looking for extra credit in their math classes as well as those interested in challenging problems. On March 9, over 200 students turned out for the annual National Math Exam in the LRC. Many math teachers encouraged their students to try this eighty minute test in order to receive extra credit or just to test their math skills.

Mu Alpha Theta, Maine East's honorary math society this year held its first activity in a long time. In January, the officers planned a toboggan outing which was really arranged so that

qualifying students from Maine North could be "inducted" and receive their certificates. The outing turned out to be great fun, and two of the members even baked cookies with calculus symbols on them.

Sigma Chi Sigma, consisting of superior students in reading comprehension and vocabulary, continued to read and discuss interesting books by such authors as Doyle, Le Guinn, and Huxley. The club's main goal was to encourage its members to read and enjoy more literary selections outside of the classroom. Although Mrs. O'Donnell, the club's sponsor, gave suggestions on various books, the students themselves set up meeting dates and chose the actual reading material.

Clubs' Appeal Is Limited

Science Fiction Club met once a week on Wednesdays immediately after school. Two of the books the group discussed were **Ring World** by Larry Niven and **The Original Star Trek Book**. The Art Club's major project this year was working on the stencil and design of the t-shirts for the Orchesis Dance Concert. Other than that the club kept a low profile.

Racquetball Club Still A Fledgling

The Demons' racquetball club was still a fledgling this year, having only three years of existence. This, however, did not stop the members from having a good time. Besides the excitement of the game, students were given a real workout and a chance to compete against players ranging in skill. While playing at Four Flaggs, students were able to work with each other and teach correct skills, techniques and form to improve each other's games.

Skiers Skim Slopes

From mid December until February, Maine East skiers were skimming snow-capped slopes. Ski Club, one of the more popular clubs, consisted of 300 members varying in skills and techniques, as Sponsor Verne Farrell stated, "We have everyone from total beginners to experts who race in Nas-tar (National Standard Racing)." The students were given the opportunity to go to Wilmot, the Upper Michigan Peninsula, and the most-enjoyed Vail, Colorado. Vail offers the most challenge of all the slopes and is much more scenic. Sponsors Mr. Duncan, Mr. Gill, Mrs. McCabe, Mr. and Mrs. Farrell, and Mr. Brower-all did their part in insuring safety as well as instructing members. Ski club, according to Mrs. Farrell, was "a chance to learn something that's a lifetime recreational activity and have a good time doing it."

Twelfth Year Brings Big Turnout

Circus Club was back again for its twelfth season with a troupe of fifty kids. This year's crowd pleaser was once again the Adagio act with its grace and style. A little excitement was added to this year's performances by boys' tumbling, vaulting, and ring skills. The girls' gymnastic team also received a lot of attention with their combined dance and tumbling performances. Also, back again for their third year was the unique unicycle group attempting skillful tricks as never before. This year's President of Circus Club was Patty Lehman.

Guards Fight The Freeze

Despite the bitter cold, Demon Guard survived this year. Demon Guard selects students for their advanced swimming skills, ability to teach little children and citizenship. Sponsors, Ms. Kathy Fullerton and Mr. Art Belmonte along with captains, Jean Chrystal and Angie Samaras guided the club to its success.

Bowlers Take Over Lanes

Experience was not necessary to participate in Maine East's bowling club. Coaches Carole Jaacks and Rodger Leys aided whomever needed help among the 18 boys' teams and 10 girls' teams. The clubs met every Thursday. On Valentine's Day, the girls were treated to "kiss night," which included a Hershey kiss for every strike bowled, and a candy heart for every spare. Another special event was Scotch Doubles. The girls had to invite a person who was a relative or friend out of high school, and the doubles competed for trophies. For the boys, the special event was bowling for pizza. Every week a person who bowled the highest game won a free pizza which went over well with the boys. Mr. Leys said jokingly, "The boys must like bowling, they keep coming back for the pizza." At the end of the season banquets were held for the boys and the girls, awarding trophies for the most deserved bowlers and teams.

Above Left: Val Westphal has fun keeping score! **Above Right:** Scott Fisher makes the strike. **Below:** Bob Walters is hooked on bowling.

We, the class of 1982, leave our mark on Maine East because we have traveled two separate paths in order to reach our final destination. Although we all ended up on the same road our senior year, we should be proud of the path we followed and the individual events and achievements that we experienced.

Those of us from the path of the North have a great deal to be proud of and memories to cherish. Because our class size was so much smaller, we developed many close friendships and were acquainted with practically everyone we saw. Sophomore year our newspaper, *Polaris*, won an All-American honors. *Saga*, our yearbook, achieved recognition from the National School Press Association with a first place award given for marks of distinction in display and concept.

We wear our Maine North class rings with pride

because we will always feel something special toward our school. When we ordered our rings, we never dreamed that our school would be closed after junior year, so when the decision was announced, we felt anger and sadness at the same time. We tried to make the most of our last year at North by displaying a great deal of school spirit and unity. At the end of the year we felt more like seniors than juniors, for we were leaving one school to go on to another. Some of us would be seeing less of friends who would spend their senior year at another high school, or those who chose to graduate early. Because of all these reasons, we held a special prom entitled "Roll with the Changes" to say good-bye to our teachers, our friends, and our school.

We who traveled the path of the East were accustomed to crowds because we had been among 700 classmates for three years. This large class

size enabled us to share our accomplishments and memories among many. Our greatest achievements had to be in our boys' Gymnastics and Cross Country teams for capturing the state titles our freshman and sophomore years respectively. No one will ever forget the enormous pride we showed for our state champs at the all-school assemblies, when we finally got to shout, "We're number one!" We were also very proud of our lady gymnasts, who took second place at the state meet our sophomore year and fourth place our junior year.

Although we came from two different directions, there were several events that we all associated with our high school years. Freshman year we were blessed with a record-breaking 84 inches of snow, which gave us 8 extra days of vacation and caused finals to be rescheduled twice. As sophomores, we suffered with all Americans when 52 of our people were held hostage in Iran, and as juniors we celebrated in their safe return home after 444 days. Junior year Reagan became President and was almost assassinated. John Lennon was shot to death by a "fan." We were horrified by all the madness. But high school is over now. We leave behind many happy memories but are also anxious to begin the rest of our lives — "Commencement" is not defined as an ending, but rather as a beginning . . .

Memories

1981-1982 was a very long and memorable year. For many of us, it was the end of part of our lives and the beginning of the rest of our lives. Maine East was not only a place to learn but to make friends, too. Maine has provided many of us with a very important and exciting four years. For some, this is the

place you met your girlfriend or boyfriend and for others, this may have been the place you met your best friend. Nonetheless, there will always be something you will remember about these past four years. Memories are thoughts you treasure and take with you as you go

I, Randi Cohen, remember Mr. Carlson's beach party, dancing in the middle of Potter Road, Junior Prom, and all the good friends I have made and the great times we've shared.

driving class with Mr. Rotzoll, and "disagreements" we've had. And I'll always remember my old homeroom and all my friends in there, and always remember my Senior year at East.

ior year.

I, Sherry Becker, remember all the good times my friends and I shared, not making it to school on Mondays, all the dances, and the excitement of graduation and prom.

I, Heidi Aigner, remember Reenee, Richie and I having our Picnic in German class.

I, Steve Jacobson, remember all the talks I had with Susie, all the times that she helped me out, cheered me up, and drove me home. Thank you, I'm forever grateful.

I, Yolanda Farias, remember Diane Davos and Monica Lauva. Thanks for February 21 and everything.

I, Connie Schulze, remember the precious gift that Mr. Premo has shared over the past four years.

I, Marcie Rosenberg, remember the day Mr. Leys came late to math class and found nobody there waiting- we were all hiding behind the corner. I also remember the one day Wendy didn't put paper and scum in Bruck's hair.

I, Flora Babilla, remember the first time Phyllis and I went skiing. We've had many interesting experiences on some of the ski trips. I also remember all the good times I've had with all my friends!

I, Jeanine Bekas, remember good times with my sweetheart; the time we went to Superdaug, a car full of newspaper, and mono that brought us back together. Also, a date I haven't had with J.L., Jenny and BBF, close friends, late night talks with Dean and fights with BoBo.

I, Corey Wilner, remember M-80's in the john with Buckman, 3rd in conference, golden guano, FRQ's, WMTH, photography, parties with C.A., J.B., M.M., TAM, the lab (Howard), all-nighters, progressive music, 4AP's, and most of all, my love for Sue.

I, Robyn Wolch, remember all of the exciting mornings in homeroom.

I, Tom Tambouratzis, remember "The Jacks" and all the great times we had in and out of band, a 1st place JV with Karl, Bob, Jack, and Tony, pep rallies and the class competitions.

I, Lisa Levin, will always remember the blizzard of '79, how good I felt after giving blood for the first time, 2A talks with Mr. Wilson, early morning Chem labs, and funny expressions shared with Annette in Dr. Dieter's English class.

I, Phil Spiewak, remember the "stake out" with Jeff, Steve, Jim, Ken, and Holly. Sophomore and Junior Prom.

I, Elaine Iha, remember all the great times I had at Maine North and the new ones at East. I will always remember History Freshman Year, tourn-a-bout Jr. year, summer volleyball and graduation.

I, Susan Hugh, remember 3 great years at North, all the parties, good times and memories created with friends, sophomore biology, and the special friendships, thanks to Yoda, dizzard, Dan, Deb, and to Jim . . . too bad we didn't get together soon!

I, Phillip DeBock, remember all the help, understanding, and encouragement that I've been given, the years I've been here, from my counselor, teachers, and especially my friends. Thank you.

I, Sue Czeszewski, remember all the times I started at Keith in Psychology, '81 and '82 school dances, D.E. class with my friends, and most of all my Senior Year.

I, Jean Loftus, remember Tyco Brahe, and be careful Mr. Sauter, Hot lips Henry, and Homecoming Dance 1981.

I, Donna Kelly, remember Nemo the volleyball, drinking coke before school, Bean and doing donuts, Wendy's, Oscar, my first car, Miss Karg's English class, Mr. Bong and the crazy four or something.

I, Annette deChaud, remember Bernie, who made sophomore year something special, 1980's Senior Prom and weekend. Terrapin's long practices and enjoyable shows. Texas and maybe sen-

I, Joe Fragale, remember all the varieties of rock n' roll on our side of the football lockerroom. Not being able to make it through D.P. II without Karen,

I, Anna Woods, remember meeting Sue K., Basia, and Beata R. by the lockers in the morning. I remember

Thanx. The best senior year anyone could have asked for.

I, Bill Schaaf, remember the football team, the football coaches, the football stadium, the football buses, my beloved bench, the uniform I never needed to wash, and I remember the football cheerleaders in the lockerroom.

I, Sandie Lindquist, remember the sleepless night before my first day freshman year, the anticipation of the dances, decorated lockers, and sleeping during class. But mostly, the memories with my friends, Janet especially, and the slow climb towards graduation.

I, Kevin Krueger, remember the rowdy times we had at lunch all four years. I remember an 8:10 homeroom bell. The abuse I projected on others (all in fun). I remember football the most.

I, Joseph Leane, remember the long trips to school on the bus. The 8:10 homerooms. The football and basketball games and the events that followed. And mostly the powerouts and fire. And lastly the good times.

I, David Olson, remember all the incredible friends I have who have made this year the best of my life- especially Dave K., who taught me what true friendship is all about, and Brenda, whom I could not possibly describe in a few words.

I, Renee Friedman, remember making lasagna for Tony, staying up all night at Esther's, lunches at M.N., going to the drive-in with L.R. & T.D., Sari making Tony and me listen to Genesis.

I, Virginia Gorski, remember all the days I fell asleep in class, a joyous remembrance. (Man, I had some nice dreams!)

I, Susan Medansky, remember frantic practicing (1:00 A.M.) for Pom-Pon tryouts and brain power with Dawn. Also, "borrowing" rolls for a "sur-

prise" and early mornings of chemistry with Mr. Miller. Lastly, I will always remember Corey, who made my Senior Year special.

I, Bob Schubert, remember all the trips to the Dean's office and the friends that got me there. I also remember the great times Lynn and I have had together. Always remember the 22nd.

I, Jamie Bender, remember my junior leader class and the times Miss Bov had to separate us so we wouldn't talk, and the time Miss Bov quit because we drove her crazy, and all our other crazy stunts.

I, Ami Vyas, remember all the wonderful days spent in school with friends and teachers. I will always cherish my high school memories in my heart.

I, Vivian Marks, remember Do you know where orange comes from? Nights in front of John's house in the suburban McD's. I did it for your own good Deb. Munching out at Al's. Tackle pom-pon at Tina's.

I, Lisa Prorok, remember the time wasted in homeroom, the countless bulletins, my physics' teacher complaining that my labs weren't on lab paper, and Chuck the custodian giving me a piece of Wrigley gum my first day of school as a scared freshman.

I, Margi Cymek, remember: February 6&7, 1978 and all my heartaches; the Bahamas; and one special person who made senior year the best (except for those vinyl seats). Our times together aren't many, but you're always on my mind.

I, Holly Helfand, remember the struggles of the first day, the excellent time in between, and the joy of the last day. I will remember Maine East.

I, Gary Sellergren, remember all the fun and good times in baseball. I also will remember my Math class with Sue.

I, Melissa Sostrin, remember Physics turning into a correspondence course, counting the days until Vail and graduation. Friday nights at Wilmont, winter dance, and my best buddies and the good times we shared.

I, Debbie Goldman, remember Junior year and the obnoxious times we had in Physics with Mr. Euclide and if I could do it again, I would. And I'll always remember the great time that Viv, Missy, Mara, and I had 7th period.

I, Brad Fine, remember first period blahs, electricity in the air on game day, long hours of rehearsal and practice, those all night homework binges, and friendships I will cherish a lifetime! Maine East Been Berry Berry good to Me!

I, Tony Schor, remember getting asked to Girls' Choice frosh year, and having the girl's mother drive us. Or getting asked to Girls' Choice sophomore year, and having to turn down a good friend. Senior year, the Best Girls' Choice with "my Little Girl."

I, Loretta Nickel, remember all the special friends I've made and all my great memories at Maine East!

I, Ann Sanburg, remember all of the nights I spent studying and cramming for all those tests I never had and all the traumas that went with it. Here's to memories.

Left: Mike Patterson receives his graduating diploma from Principal, A.K.H. Cochrane. He will always be remembered to those close to him. Mike died on January 12, 1982.

Lens 1981-1982

Lens 1981-82 was a year for change. As you can see, our cover is a drastic change in comparison with the past covers of the **Lens**. Inside the book, our main objective was to capture through photographs the mood and spirit of Maine East '81-'82, a year of many changes.

Many thanks go to Mike Hackleman from Josten's/American Publishing Company and George Poulos from Adrian-Poulos Photographers. This book could not have been possible without these people. I would like to extend a special thanks to Miss Witkiewicz, our yearbook advisor, and especially the staff this year. Deadlines could not have been met without the help of all of the staff. If there was a word meaning more than "thanks," I would extend it to my staff. "Thanks."

The staff kept busy day to day
Wondering when pictures would come their way
The copy was short and words few
The main job was figuring out who was who.

Once that was done, there was still more work
The typing and cropping done without a smirk
I owe a great thanks to many
Especially those who did plenty.

There were seventeen staff members
All of them talented, and each remembers
The deadlines, six of them, hard to bear
I have to say it was a great year.

Thank you all, the end is here.
I leave with a farewell and a great big cheer.
